OS

**Macarons**

Galleta tradicional francesa hecha con clara de huevo, almendra molida y azúcar, rellena con crema o ganache. Crujiente por fuera, suave por dentro.

**Financier**

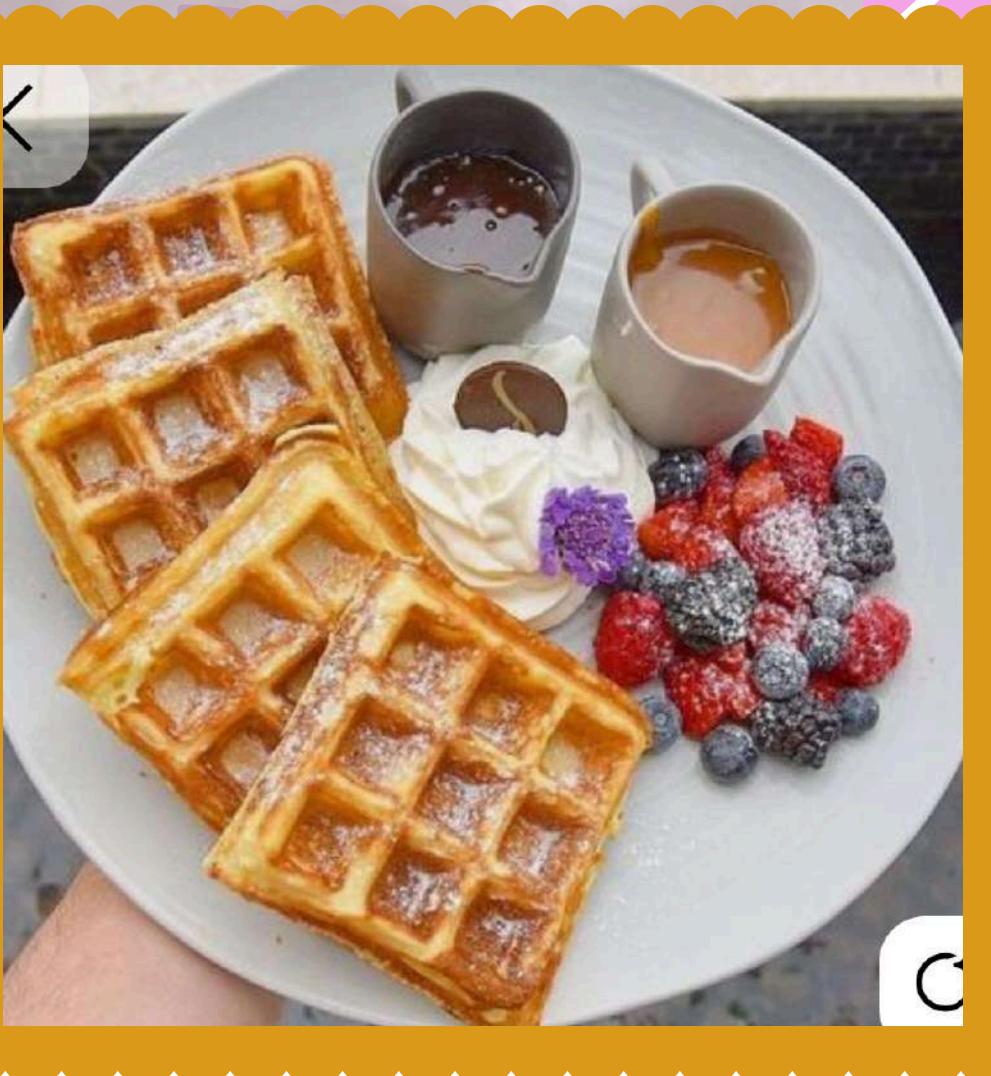

Pequeño pastel de almendra, suave y sabroso. Su secreto: la mantequilla cocida al estilo "beurre noisette" o "mantequilla avellana". Con forma de lingote y decorado con mazapán u otros rellenos, es una dulzura irresistible.

**Canelé**

Bizcocho típico de Burdeos, de forma cilíndrica y bordes estriados. Exterior caramelizado (no crujiente), interior suave y elástico, con delicado sabor a vainilla y ron.
